TRIUMPH

YMCA SECUNDERABAD
Estd. 1916

From the President's Desk,

As a successful businessman in the Travel Industry stepping into the Service Industry is a big challenge with a greater vision to accomplish.

When God called me to serve the prestigious organization YMCA; I embraced the opportunity with profound reverence.

The privilege of being the President of YMCA of Greater Hyderabad to serve the community for the marginalized, poor, under privileged, unfortunate and neglected people in their well-being.

As I kept on fulfilling every task; my vision for the organization expanded towards the construction, renovation of the entire structures.

Within the multitudes of my thoughts of craving desire to make it a pious sanctuary, I could prioritize the basic essentials to start with. Invariably with the

mere resources the journey to reach the goals is possible only with sheer mercies of God Almighty who enabled our entire team of Directors to construct new structure and renovate the Guest house with modern amenities for the Guest's satisfaction.

One of the many developments, is reviving the Bi-monthly newsletter with renaming as "TRIUMPH" that is going to be launched today 14th day of December 2018 on the occasion of Christmas Celebrations at YMCA.

Let us all join and pray for this great institution and serve with God's guidance in the days to come. We Greet you a Very Happy Christmas and a Prosperous Blessed New Year 2019.

Thanking you

E. JAYAKAR DANIEL

President

YMCA of Greater Hyderabad

TRIUMPH

BACKGROUND: YMCA Secunderabad, one of the prime branches of its parent YMCA of GREATER HYDERABAD, which established in the year 1916 located in the most fetching places of the twin cities of Secunderabad spread in the area of more than two acres of land.

The YMCA Secunderabad is known for rendering incredible Social Services in the Community over 100 years. YMCA is the only Service Organization in the world that caters its services and has doors open to all irrespective of Caste, Colour, Religion, Classes and Sex.

The beneficiaries of YMCA are numerous; among few are notable Men & Women who excelled in the field of sports, recognised with one of the India's prestigious awards called "ARJUNA AWARD". Several significant Bureaucrats

serving at State and Central levels of the Indian Government, several Politicians, etc.

The self-sustaining non profit Service Organization has phenomenon and remarkable achievements to testify. The dedicated professional Secretaries and Laymen together striving for the welfare of the down trodden, marginalised, least, lost and last people of the community.

Though we have a lot to testify about the 102 years old Service Organization's successful stories, we would like to glare on few achievements of the recent past.

BUILDING RESTORATION: The major income generating three storied building with 75 shops and ample car parking space in the basement was in the custody of the unauthorised occupants for almost eight years unethically.

Reception

Cafeteria

Corridor

Guest Room A/c

When all hopes were lost of its deliverance, Gods intervention and mercy brought miracles in taking back seventy percent of the building into our possession. Which enabled us to facilitate in meeting the monthly expenses and also raise the salaries of the employees, and to cater many other service based programmes.

RENOVATION: The rest of the campus which was in dilapidated condition is now renovated with modern facilities/standards. This wouldn't have been possible without the restored building's income/Monthly rents.

The newly constructed Canteen with affordable tariff, Guest House & Hostel renovation, CC road in the campus, Compound wall construction, construction of new toilets, running of project F.I.N. (Friend in need), Installation of CC Camera's, Launching of YMCA Mutually Aided Cooperative Thrift and Credit Society Ltd, organising activities and programmes periodically brought the new glory to YMCA Secunderabad.

The YMCA of Greater Hyderabad which stood a role model for years to its equivalent counterparts had struck up in its fruitful journey and became a victim of politics for some time. However it is now recouping to attain the pace of the contemporary scenario with the collective efforts of Lay leaders and Secretaries.

Undoubtedly the present elected Board headed by Mr. E. Jayakar Daniel and the Secretarial fraternity untiring efforts are much evident in this significant development. The vision is much broader than what was achieved, with the limited resources and negative influences of the political powers; the YMCA Secunderabad is unshakable in reaching its targets.

After much rigorous efforts by the President and Secretaries the Land lease extension was initiated, pursued constantly day and night with the concerned authorities, finally the land lease extension is granted. This is one of the biggest achievements of the year.

SPORTS: The New Academy's for Basketball and Table tennis is initiated with needed facilities to equip and raise the standards of players.

Karate, Kung Fu, Taekwondo and Martial arts are the sports having much demand at YMCA because of the professional training approach.

Western Dance in Hip Hop, Salsa, Break and Aerobics are trained by a famous dancer who also trains the celebrities.

Gymnasium for Body building & Physical fitness training for both men & women is given by well known personality who transformed many celebrities according to the modern trends.

Having the privilege of being the Vice-president and Personnel Committee Chairman of YMCA of Greater Hyderabad, Mr. Norman Isaac, who also holds the prestigious position as the Technical Delegate for FIBA (Federation of Basketball Association) and General Secretary for Telangana Basketball Association, YMCA organises frequent basketball

tournaments for boys and girls in various levels who choose the game as their career.

CHAMPS FOR CHRIST: YMCA Secunderabad has invented the best quality pattern of Programmes in Spiritual growth for children and youth, one such programme called "CHAMPS FOR CHRIST" an Inter-Church Sunday School Competition for the children of below 17 years, perhaps the first of its kind wherein more than 100 churches and about 2000 children participated in the competitions every year in different events, such as in Singing, Memory verses, Choreography, Film making, Quiz, Painting, Fancy dress, Preaching, Basketball, Table tennis, Career Counselling and Biblical Essay writing. In its successful fourth season we received numerous positive testimonies from the Parents, Guests and Viewers.

SUMMER CAMP: The summer camp is one of the desirable events for the children of under 17 years age, comprising almost 25 different events for the holistic

development of an individual. This month long camp will help the children to equip, learn good ethics and values while having fun. The aim is to make good citizens.

YMCA Secunderabad provides space for several Government programmes and activities besides its regular service based programmes.

YMCA Secunderabad conducts Awareness programmes periodically on:

1. Alcoholics
2. Eradication of child labour
3. Swachh bharat,
4. Rag pickers
5. Beggars
6. Trafficking
7. Traffic rules
8. Family counselling
9. Child abusing.
10. Drug addicts.

Besides our pre-scheduled Programmes like YMCA/YWCA World Week of Prayer & Fellowship, Founder's Day and World Girl Child

Day etc; which are observed globally with profound reverence? We rise to the occasion at any given point of time to succour the real needy like the victims of natural disasters/calamities etc.

We end up the year's success by celebrating THANKS GIVING SERVICE before the 25th of December and enter into the New Year with afresh enthusiasm and passion.

We thank and appreciate the members, well wishers and like minded people of YMCA of Greater Hyderabad for their enormous contributions over the years who journeyed with us even at the time of travail and strengthened the movement.

We protect and preserve its rich heritage and the legacy acquired by the predecessors in turn to dedicate it to the coming generations.

We thank GOD Almighty for empowering us to overcome the vilest of the vile criticisms/problems during the journey of accomplishing the goals.
