# TRIUMPH

Complements of the season to each and every one, wish you all a happy and prosperous new year 2020. Hope you all had a wonderful year 2019 to share what God has done in and through your lives. As the president of YMCA of Greater Hyderabad it's my privilege to share the wonderful things what God is doing in and through YMCA to the society. Without Gods intervention in any of the affairs it is impossible to expect a change or development. I give all the Glory to God for making me an instrument of change in YMCA of Greater Hyderabad.

The things which are forgotten, feared of danger, highly ignored, underestimated, overlooked are been given life for the past three years. Standards of the employees along with the organization has been raised, created employment opportunities, many projects are restored, new schemes are introduced, guest accommodation and hostel facilities are modernised, new structures have come up, guests inflow has increased, the never ever dreamt project "YMCA MAC THRIFT & CREDIT SOCIETY LTD" since its inception in the month of march 2019, it has collected Rs: 35 lakhs and has given loans to many members, which is a great sign of development. Much more to do in this and the coming year for the well beaing of the people. GOD BLESS YMCA. GOD BLESS INDIA.

## CHAMPS FOR CHRIST- 5

Those six Sundays remains unforgettable in the Christendom, when the incredible "CHAMPS FOR CHRIST" Inter – Church Sunday School Competitions hovering upon every Christian believers that hit the floor once again in Season – 5 to soak and Baptise with the love of Christ.

There is no doubt in saying that the Season – 5 was absolutely different from previous ones in many ways. It was not only growing in size year after year but also did vanish the myth of sticking to one particular denomination instead created a common platform wherein every Christian from their respective church would get the opportunity to exhibit their inherent gifts. This is the only platform where you can get to see children from different backgrounds coming boldly, sharing and mingling with the fellow aspirants and giving tough challenge to each other to please God in good spirit.

The visionary behind this enormous festival of joy along with his team of passionate professionals striving day and night in designing such a platform, which cannot be compared that stirred, enabled and equipped to the gospel of God among the children, through the children and by the children where in turn they draw the society into the Love of Christ.
