Greetings From YMCA of Greater Hyderabad

“And we know that all things work together for good to those who love God to those who are called according to His purpose”
Romans 8:28

I Started my Journey in YMCA Hyderabad in Sept, 1989. The Journey was very painful and hard going, but God made me to sail all through the long years. In the year 2012 I was made Incharge General Secretary and general Secretary in 2018. Now at YMCA Greater Hyderabad under the able leadership of Mr. E. Jayakar Daniel, President and the Executive Committee. I am working and taking the YMCA to the greater heights. The Guest House is being rennovated and all the Accomodation is made Air Conditioned, The YMCA Complex which was under a third party was partially taken over. The Employees Salaries have been increased, Revenue has been increased. Churches have been provided with good accomodation. The sports activities and summer camp are being conducted. Day by day the YMCA is progressing.

My Vision : In the days to come the YMCA of Greater Hyderabad will become a role model for the YMCA Movement in India.
