TRIUMPH

PRESIDENT'S DESK: Contrary to my earlier messages, I write to you with a heavy heart to uphold YMCA in your prayers and contribute your best to safeguard the rich heritage as the adversaries of YMCA (unauthorised local body) are conspiring to (Loot) damage. The seriousness cannot be uttered in few words. While we are advancing with a good pace towards renovating the building, bringing up

new projects, reviving the ceased schemes, pursuing on land lease extension, appealing for land freehold and with lots of good work but from the other end it is disgusting even to imagine that few unauthorised people with ulterior motives claiming themselves as board of directors not only hindering the development but also deceiving the people to acquire the property. We know that their efforts will definitely go futile and will fetch nothing. I urge everyone to cooperate and contribute your best to uplift the organization wherein the future generations shall be benefitted. I once again extend my gratitude to all the people who stood with us in this good cause, especially the officials, bureaucrats and leaders of the State and Central governments for noticing and appreciating the good work of YMCA of Greater Hyderabad that is carrying out over 100 years and coming forward for every possible help as and when it is required. I thank the National Council leaders and Board of Directors of Greater Hyderabad who are unconditionally supporting and strengthening my hands.

E. Jayakar Daniel

President

YMCA of Greater Hyderabad.

**GENERAL SECRETARY MESSAGE:**

“To uplift to the utmost” is the vision what we have but at times the journey looks uncertain, the statesmanship seems to be jeopardy/vulnerable, and the peaceful sanctuary now looks a battle field. We are restless every minute, running back and forth investing all our means to bring back the situation to its original state.

Just as Apostle Paul said in 2Cor-4:8, we are troubled on every side, yet not distressed; we are perplexed, but not in despair;

Indeed it applies to our situation what Apostle Paul has said but we are competent enough to gainsay every state of affairs/fiery darts of the opponent. All we need is your prayers and valuable contributions to regain the lost splendour.

The sad part of the story is that the devourer is not an outsider but our fellow Christian brethren who wants to plunder the YMCA property, though it is hard for them to kick against the goads. We wish to dwell in peace, harmony and with one accord among the brethren and set an example for others. As custodians of this great organization, our aim is to develop on par with latest trends which give a unique identity in the society, but not to covet that ever belongs to anybody's. For we brought nothing into this world, and it is certain we can carry nothing out. People with greed/lust for money and positions have gone to the extent even to lease and sell the properties against the interest of YMCA. To control and put to an end for all such contradictions, our efforts are indescribable, we had to spend at least 40% of our monthly revenue on police and courts sacrificing employee's benefits. Thus our reputation sometimes is at menace, even though YMCA is known and stands tall for its good work in the society for over 100 years. I have come across many big wigs in my thirty years in YMCA who enticed/lured for the property at the core but all such evil schemes went in vain and no power could ever shake YMCA. I strongly believe that the God who protected and preserved the YMCA legacy over 100 years will also do it forever. I am grateful to my God for all my Professional Secretaries for their untiring efforts in the YMCA mission and the well-wishers of the YMCA who are succouring us in our journey of development.

To start with the Annual feature “SUMMER CAMP”:

Though we are surrounded by numerous educational Institutions who have adopted many such similar activities from YMCA could not overtake/ surpass the credibility it possesses. The competitors are always left behind to withstand the quality and caring we spread in the community. Hence it is testified a tremendous event with almost 27 different activities for a period of one month which helped the chil-

dren below 17 years of age in upgrading themselves intellectually, morally and physically while having fun with the fellow students. Unlike every year, the registrations in this season soared up to an incredible figure of above 275 in number. Parents were too thrilled to see their children's furtherance and exhibiting mind blowing performances at the end of the camp or in the valedictory function.

CONGRATULATIONS

- ★ We congratulate Miss. P.V Sindhu Ace Badminton player for winning the gold medal defeating Nozomi Okuhara in the final of 2019 BWF World Championship and became the first Indian player to achieve the title.
- ★ We also congratulate Hima Das, the Indian Sprinter for achieving 5 gold medals in the year 2018 at Europe.
- ★ We congratulate Mr. Norman Swaroop Isaac, who is a product of YMCA of Greater Hyderabad for his recent achievement at the FIBA World Cup 2019 held in Beijing, China. When he officiated as Technical Delegate with more or less the functions of a Game Commissioner in the recently concluded FIBA World Cup in Beijing (China) with distinction. The articulate Hyderabadite known for his vast technical knowledge on basketball, has become the first-ever Indian to officiate in this capacity in any World Cup so far. FOUNDERS DAY

June 6, 1844 marks the historic movement remembered globally when Sir George Williams Founded YMCA in England. This is the most prestigious programme celebrated by the YMCA'S across the world. Remembering the hardships, sacrifices, strivings, and dedication of the great men in order to make it an international movement which would help the young men/women to get the needed nourishment in building their career while catering /fostering the community.

sound doctrine in Theological studies, by Gods grace we have 14 students enrolled in the first batch in SYSTEMATIC THEOLOGY and in Hebrew/Greek languages within the span of two months of its inception. From the year 2020 onwards we are intending to offer/function with three courses i.e., B.Th., BD & M.Th. in three different batches consisting of at least 30 to 40 aspirants in each batch and graduate the same every year and also foster those who can't afford to pursue their theological studies from bigger colleges. Efforts for Affiliation from reputed colleges are in process wherein the certificate is acceptable. We believe every humble beginning always has a tremendous record/feedback.

INDEPENDENCE DAY

President and Board of Directors Hoisting the National Flag

President and Board of Directors on Independence Day Celebration

It is always a great honour and a pride movement to remember the sacrifices of our freedom fighters fought from 1858 to 1947 against the colonial rule. Every Indian across the globe remembers and celebrates this auspicious day, the

day we lifted up our tricolour national flag and declared Independence, the 15th of August 1947. Couple of guests addressed and inspired the gathering at YMCA Secunderabad and also paid tributes to the martyrs.

ASHREYA

The 16 acres of prime land situated at either sides of the national high way of Warangal District, at Aushapur, Ghatkesar, which was acquired by the YMCA of Greater Hyderabad in the late 80's under the stewardship of the then General Secretary. The visionary who foreseen the economical, social and environmental changes has bought and preserved the land for the future where it could become the biggest source of strength for YMCA to sustain in the competitive world. The idea is to build a 100 bedded orphan home in that open land therefore he invested all his reputation by inviting the Iconic Indian cricket players like Kapil Dev, Ravi Shastri, Maninder Singh and others who joined their hands in raising the required funds to build the desired project.

The project stood a role model for many such organizations for decades, But in the due course of time, due to the negligence and improper administration of the successors or the then management the project has to wind up. Later the campus was guarded by 2 or 3 watchmen. But suddenly the things started falling apart, people with evil intentions started crouching to grab the good of YMCA instead of protecting and preserving. This is how the war between the saviours and devourers began. Nevertheless we being the approved board functioning from YMCA Secunderabad took the upper hand over the culprits. With the collective help of members and well wishers now the issue is almost at the verge of resolving state.

YELLAGIRI CAMP SITE

Secretaries meet at Yellagiri Y M C A Camp Site on the occasion of Y M C A Secretaries

Consultation. it was a two day get together where all the General Secretaries/Secretaries from their respective YMCA'S met together and shared their views towards

uplifting and sustain-ing of the small and big YMCA'S in India, and also to establish new YMCA'S which creates not only employment to the youth but also empowers the society through them.

CHAMPS FOR CHRIST

We have just entered into season – 5 with tons of joyous expectations, we shall hear more about it in our next edition.

YMCA of Greater Hyderabad
President

Mr. Jayakar Daniel Inaugurating
the Programme

TRUMPET FESTIVAL RALLY

It is the first of its kind organised by a reputed Christian broad casting TV Channel called "SHUBHAVARTHA Television Pvt Ltd" in association with YMCA of Greater Hyderabad in twin cities of Hyderabad & Secunderabad on 15th June 2019. The aim of the event is to spread the gospel/the second coming of Christ through the means of rally.

There was incredible response where the President and Secretaries of YMCA and many Christian renowned personalities irrespective of denominations united together along with thousands of youth participated actively singing songs, shouting slogans and dancing throughout the rally. The event was widely covered by the print and electronic media.
